17. **VARIATION**

Silobreaker may change these terms from time to time with immediate effect and shall post any updated terms on <https://www.silobreaker.com/legal>.

Notwithstanding the above, Silobreaker shall not make changes to these terms that materially alter the provisioning or use of the Subscription Service, Silobreaker or Customer's obligations, indemnities, liabilities, confidentiality or governing law without Customer's consent

18. **WAIVER**

No failure or delay by a party to exercise any right or remedy provided under these terms or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

19. **RIGHTS AND REMEDIES**

Except as expressly provided in these terms, the rights and remedies provided under these terms are in addition to, and not exclusive of, any rights or remedies provided by law.

20. **SEVERANCE**

20.1 If any provision (or part of a provision) of these terms is found by any court or administrative body of competent jurisdiction to be invalid, unenforceable or illegal, the other provisions shall remain in force.

20.2 If any invalid, unenforceable or illegal provision would be valid, enforceable or legal if some part of it were deleted, the provision shall apply with whatever modification is necessary to give effect to the commercial intention of the parties.

21. **ENTIRE AGREEMENT**

- 21.1 These terms together with the Order Confirmation constitute the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.
- 21.2 Each party acknowledges that in entering into these terms it does not rely on, and shall have no remedies in respect of, any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in these terms or the Order Confirmation.
- 21.3 Each party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in these terms.

22. **ASSIGNMENT**

- 22.1 Customer shall not, without the prior written consent of Silobreaker, assign, transfer, charge, sub-contract or deal in any other manner with all or any of its rights or obligations under these terms.
- 22.2 Silobreaker may assign this agreement to any acquirer of all or of substantially all of such party's equity securities, assets or business relating to the subject matter of this agreement or to any entity controlled by, that controls, or is under common control with Silobreaker.
- 22.3 Silobreaker shall have the right to assign, transfer or sub-contract its support obligations under this agreement to a subsidiary, affiliated or associated company to Silobreaker or to a third party that in Silobreaker's reasonable opinion has the qualifications and know-how to provide the support under the Support Policy as set out in this agreement.

23. **NO PARTNERSHIP OR AGENCY**

Nothing in these terms is intended to or shall operate to create a partnership between the parties, or authorise either party to act as agent for the other, and neither party shall have the authority to act in the name or on behalf of or otherwise to bind the other in any way (including, but not limited to, the making of any representation or warranty, the assumption of any obligation or liability and the exercise of any right or power).

24. **THIRD PARTY RIGHTS**

Unless it is stated otherwise, this agreement does not confer any rights on any person or party (other than the parties to these terms and, where applicable, their successors and permitted assigns) pursuant to the Contracts (Rights of Third Parties) Act 1999.

25. **NOTICES**

- 25.1 Any notice required to be given under these terms shall be in writing and shall be delivered by hand or sent by pre-paid first-class post or recorded delivery post to the other party at its address set out in the Order Confirmation, or such other address as may have been notified by that party for such purposes.

25.2 A notice delivered by hand shall be deemed to have been received when delivered (or if delivery is not in business hours, at 9:00 am on the first UK business day following delivery). A correctly addressed notice sent by pre-paid first-class post or recorded delivery post shall be deemed to have been received at the time at which it would have been delivered in the normal course of post.

26. **GOVERNING LAW AND JURISDICTION**

26.1 This agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.

26.2 Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these terms or its subject matter or formation (including non-contractual disputes or claims).

SCHEDULE 1 – SUPPORT POLICY

Report Category	Primary Response	Target Resolution	Permanent Resolution
1. Major Error	4 working hours	12 working hours	2 working weeks
2. Serious Error	8 working hours	2 working days	4 working weeks
3. Minor Issue	5 working days	Future Release	Future Release

Where Report Category is defined as:

Major Error is a material error which prevents the Subscription Service from being run or cripples the service or causes severe performance degradation.

Serious Error is a material error which causes performance degradation, failure or disruption of a major task or feature where no alternative exists or delay in a time critical implementation of the Subscription Service, other than a category 1 issue.

Minor Issue is any non-material defect or failure of the Subscription Service to perform or provide facilities, functions and capacity, other than a category 1 or 2 issue.

Catastrophic events, e.g. data centre outages, are not covered by this policy but managed through disaster recovery measures on a case by case basis.

Where Response/Action is defined as:

Primary Response – a contact from our product support staff reporting the results of an initial investigation into the error, giving details of our analysis of the possible causes of the error and, where possible, proposing a solution for a temporary and/or permanent fix and a timetable for achieving that solution.

Target Resolution - an acceptable temporary work around the issue that allows users to operate the Subscription Service without substantial degradation in performance. A temporary fix will only be applied where applicable. In some instances, a temporary fix may not be available.

Permanent Resolution – a permanent resolution of the issue which restores the Subscription Service to perform substantially in accordance with the product or functionality description.

“Working Hour” for the purpose of service levels is defined as any hour between 8am-5pm (UK time) on non-UK-holiday weekdays (Mon-Fri).

“Working Day” for the purpose of service levels is defined as any non-UK-holiday weekday between a Monday and a Friday.

“Working Week” for the purpose of service levels is defined as five consecutive Working Days.

The allocation of a report category will be at our sole discretion.

Where a problem cannot be fixed within the target response time, we will inform you on how we will proceed in order to resolve the issue in question.

The target response times exclude any time where we are waiting on you to provide information or complete a task.
